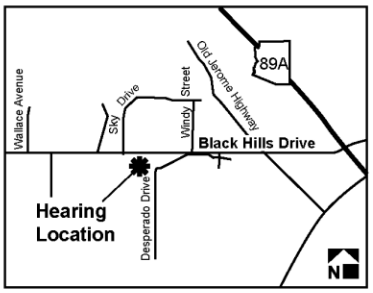
**Room 137**
**601 Black Hills Drive**
**Clarkdale, Arizona**
**6:00 pm – 7:30 pm (MST)**
**Presentation Time –**
**6:15 pm**



The Arizona Department of Transportation (ADOT), in cooperation with the Federal Highway Administration (FHWA), has prepared a Draft Environmental Assessment for the State Route 89A (SR 89A) Cottonwood—Clarkdale project in Yavapai County, Arizona.

Yavapai County has seen increasing numbers of winter visitors, tourists, and residents over the last several decades. SR 89A is the primary route to Jerome and for travel between Prescott, Flagstaff, and Sedona. Based on the existing roadway conditions and projected development growth in the area, FHWA and ADOT have identified the need to improve SR 89A to provide for efficient traffic movement. The Preferred Alternative would provide a 68-foot-wide highway with two travel lanes in each direction and an 8-foot raised median, curb and gutter. In addition, roundabouts would be added to the five main intersections to allow for the turnaround of traffic as necessary.

The purpose of this hearing is to obtain comments on the Draft Environmental Assessment. ADOT and consultant representatives will be available to discuss the project and answer questions. A court reporter will be available to take comments from the public.

Copies of the Draft Environmental Assessment are available for review at the following locations:

Cottonwood City Clerk
827 N. Main Street
Cottonwood, AZ

Clarkdale Town Clerk
890 N. Main Street
Clarkdale AZ

ADOT Prescott District Office
109 Commerce Drive
Prescott, AZ

Cottonwood Library
100 S. 6th Street
Cottonwood, AZ

Clarkdale Library
39 N. 9th Street
Clarkdale, AZ
