ADOT LOOP 202 South Mountain Freeway

Preliminary Design Public Input Meetings

The Arizona Department of Transportation (ADOT) in coordination with the Federal Highway Administration (FHWA) is hosting three public meetings to share information and obtain public input on preliminary design plans for the future Loop 202 (South Mountain Freeway). The 22-mile freeway will complete the Valley's Loop 202 system and provide motorists an alternative option to travel between the West and East Valley.

All meetings are scheduled for 6-8 p.m., with presentations at 6:30 p.m. The same information will be presented at each of the meetings. Topics will include:

- Project approach
- Preliminary design plans, highlighting modifications from the last round of public meetings
- Initial landscape and aesthetic design concepts
- Construction process
- How to provide public input

A Q&A session will follow the presentation. The remainder of the meeting will be open-house format where preliminary design plans and improvements will be available to view. Representatives from ADOT, FHWA, the City of Phoenix and the developer team will be available to answer questions. Members of the public will have opportunities to provide input on comment forms as well as in person to project team members.

Meetings: 6-8 p.m. 6:30 p.m. Presentation

Tuesday, Sept. 27

Desert Vista High School
Multi-Purpose Room
16440 S. 32nd St., Phx.

Wed., Sept. 28

Betty Fairfax High School
Multi-Purpose Room
8225 S. 59th Ave., Laveen

Thursday, Oct. 6

Fowler Elementary School
Multi-Purpose Room
6707 W. Van Buren St., Phx.

Unable to Attend One of the Public Meetings?

The meeting materials will be available for the public to view on the ADOT website by Tuesday, Sept. 27. Public input and questions can be submitted via the website: SouthMountainFreeway.com or the project email address: SouthMountainFreewayInfo@c202p.com. Although ADOT will continue to accept public input throughout project development, input must be received by Oct. 20 to be included in the public meeting record.

ADOT LOOP 202 South Mountain Freeway

Reuniones públicas de diseño preliminar

El Departamento de Transporte de Arizona (ADOT), en coordinación con la Administración Federal de Carreteras (FHWA), presentará tres reuniones públicas para informar y recibir opinión del público sobre los planes de diseño preliminares para el futuro Periférico 202 (Carretera South Mountain). La carretera de 22 millas completará el sistema Periférico 202 del Valle y dará una opción alternativa a los conductores para transitar entre el Valle Este y el Valle Oeste.

Todas las reuniones tomarán lugar de 6 a 8 p.m., con la presentación a las 6:30 p.m. Se presentará la misma información en cada una de estas reuniones.

Reuniones: 6-8 p.m. 6:30 p.m. Presentación

Martes, 27 de sept.
Desert Vista High School
Multi-Purpose Room
16440 S. 32nd St., Phx.

Miércoles, 28 de sept.
Betty Fairfax High School
Multi-Purpose Room
8225 S. 59th Ave., Laveen

Jueves, 6 de oct.
Fowler Elementary School
Multi-Purpose Room
6707 W. Van Buren St., Phx.

- A las 6:30 p.m. comenzará una breve presentación. Los temas que se tratarán:
- Enfoque del proyecto
 - Planes de diseño preliminares, con modificaciones de las modificaciones de las últimas reuniones
 - Conceptos de diseño estético y de jardinería iniciales
 - Proceso de obras
 - Cómo aportar su opinión

Habrà una breve sesi3n de preguntas y respuestas al concluir la presentaci3n. El resto de la reuni3n serà una sesi3n abierta donde se podràn apreciar los planes de dise1o preliminares y las mejoras. Estaràn presentes representantes de ADOT, FHWA, la ciudad de Phoenix y el equipo constructor para responder a sus preguntas. Miembros del pùblico tendràn oportunidad de ofrecer mäs aportaciones mediante formularios para comentarios, ademäs de en persona directamente con miembros del equipo del proyecto.

¿No le es posible acudir a una de estas reuniones pùblicas?

Los materiales de la reuni3n estaràn disponibles al pùblico para verse en el sitio web de ADOT para el martes, 27 de septiembre. Comentarios y preguntas del pùblico se pueden enviar a traväs del sitio web: SouthMountainFreeway.com o el correo electr3nico del proyecto: SouthMountainFreewayInfo@c202p.com. Aunque ADOT seguirà aceptando las aportaciones del pùblico durante el transcurso del desarrollo del proyecto, deberàn recibirse las mismas a mäs tardar el 20 de octubre para que éstas se incorporen en las actas de las reuniones pùblicas.

Apùntese para recibir notificaciones electr3nicas

Apùntese para recibir actualizaciones del proyecto, avisos de obras y tráfico, ademäs de invitaciones para futuras reuniones comunitarias y eventos en: SouthMountainFreeway.com.

Preliminary Design Public Input Meetings

The Arizona Department of Transportation (ADOT) in coordination with the Federal Highway Administration (FHWA) is hosting three public meetings to share information and obtain public input on preliminary design plans for Loop 202 (South Mountain Freeway). The same information will be presented at each meeting.

Why should I attend a meeting?

- ✓ Learn about the project, preliminary design plans (including changes from previous public meetings), initial landscape and aesthetic design concepts and the construction process.
- ✓ Provide your input on comment cards and in person.
- ✓ Participate in the Q&A session following the presentation.
- ✓ Speak with project representatives.

Unable to attend a public meeting?
Visit the project website at SouthMountainFreeway.com to submit comments, view meeting materials (available Sept. 27) and sign up for project updates, construction and traffic alerts, and invitations to future community meetings and events.

Reuniones públicas de diseño preliminar

El Departamento de Transporte de Arizona (ADOT), en coordinación con la Administración Federal de Carreteras (FHWA), presentará tres reuniones públicas para informar y recibir opinión del público sobre los planes de diseño preliminares para el Periférico 202 (Carretera South Mountain). Se presentará la misma información en cada una de estas reuniones.

¿Por qué acudir a una reunión?

- ✓ Para enterarse acerca del proyecto, los planes de diseño preliminares (incluso cambios de las previas reuniones públicas), los conceptos de diseño estético y de jardinería iniciales y el proceso de las obras.
- ✓ Para ofrecer sus aportaciones, en tarjetas de comentarios y en persona.
- ✓ Para participar en la sesión de preguntas y respuestas enseguida de la presentación.
- ✓ Charlar directamente con representantes del proyecto.

Si no puede asistir a una reunión pública
Visite el sitio web del proyecto en SouthMountainFreeway.com para enviar sus comentarios, ver los materiales de las reuniones (disponibles el 27 de septiembre) y apúntese para recibir actualizaciones del proyecto, avisos de obras y tráfico, así como invitaciones para futuras reuniones comunitarias y eventos.

Public input essential as South Mountain Freeway moves toward construction

ADOT offers multiple ways to provide feedback, get the latest project information

Thirteen years of public involvement helped shape plans for the Loop 202 South Mountain Freeway. With the Arizona Department of Transportation preparing to begin construction along the 22-mile corridor, the community can continue providing feedback and seeking information by attending meetings, connecting online and using other resources.

"As with any project, our goals are informing and listening to the public," said Rob Samour, ADOT senior deputy director of major projects. "The South Mountain Freeway is a critical project for the region, and there are many opportunities for the public to stay engaged as we start construction and look forward to opening the freeway corridor by the end of 2019."

Beginning later this month, ADOT will hold three public meetings to provide details and seek input on preliminary design plans:

- Tuesday, Sept. 27, Desert Vista High School, Multipurpose Room, 16440 S. 32nd St., Phoenix
- Wednesday, Sept. 28, Betty Fairfax High School, Multipurpose Room, 8225 S. 59th Ave., Laveen
- Thursday, Oct. 6, Fowler Elementary School, Multipurpose Room, 6707 W. Van Buren St., Phoenix

All meetings are scheduled for 6-8 p.m., with presentations beginning at 6:30 p.m.

The meetings will provide information on the freeway's location, profile, interchange configurations and noise barrier locations, as well as initial concepts for landscaping and visual appearance. The preliminary design has been updated since it was circulated for public comment along with the Draft Environmental Impact Statement in 2013.

More public meetings will be held later this year to share final design and construction plans and to provide more information on what to expect during construction.

As part of its commitment to public involvement, ADOT is seeking input from anyone with an interest in the freeway. There are several ways to do so:

- Online: SouthMountainFreeway.com
- Email: SouthMountainFreewayInfo@c202p.com
- Phone: 1.855.SMF.L202 (1.855.763.5202), or para Español, 623.239.4558

The latest project information is available via the project website at SouthMountainFreeway.com, email and text updates (click "Subscribe for Updates" on the project website), the project hotline numbers (1.855.763.5202, or para Español, 623.239.4558) and newspaper advertising.

Extensive public input, including feedback provided by the South Mountain Citizens Advisory Team that met from 2001 to 2013, informed the study behind the South Mountain Freeway, including

- identifying more than 30 alternative alignments.
- helping determine interchange locations.
- recommending ways to reduce the right of way required.
- proposing ways to minimize other impacts.
- suggesting design options.

During the Draft Environmental Impact Statement phase, ADOT collected and recorded more than 8,000 public, agency and stakeholder comments.

The 22-mile freeway, expected to open by late 2019, will provide a long-planned direct link between the East Valley and West Valley and a much-needed alternative to Interstate 10 through downtown Phoenix. Approved by Maricopa County voters in 1985 and again in 2004 as part of a comprehensive regional transportation plan, the South Mountain Freeway will complete the Loop 202 and Loop 101 freeway system in the Valley.

For more information, visit SouthMountainFreeway.com.

Not using a safety device, such as a seat belt, car seat or motorcycle helmet, was a leading factor in Arizona traffic fatalities in 2015, contributing to 313 deaths. **Be smart, drive safely.**

South Mountain Freeway meetings next week will detail design plans

Public invited to provide feedback, get the latest project information

Public meetings beginning next week will allow community members to review and provide feedback on updated design plans for the Loop 202 South Mountain Freeway.

The project development team, Connect 202 Partners, and Arizona Department of Transportation will hold three meetings on preliminary design plans that have been further developed since they were last circulated for public comment in 2013 along with the Draft Environment Impact Statement:

- Tuesday, Sept. 27, Desert Vista High School, Multipurpose Room, 16440 S. 32nd St., Phoenix
- Wednesday, Sept. 28, Betty Fairfax High School, Multipurpose Room, 8225 S. 59th Ave., Laveen
- Thursday, Oct. 6, Fowler Elementary School, Multipurpose Room, 6707 W. Van Buren St., Phoenix

The meetings are scheduled for 6-8 p.m., with a one-hour presentation beginning at 6:30 p.m. and a question-and-answer session afterward. Following the presentation, attendees can visit various information stations and speak with project representatives until 8 p.m.

The meetings will provide information on the freeway's location, profile, interchange configurations and noise barrier locations, as well as initial concepts for landscaping and visual appearance.

Construction of the South Mountain Freeway began last week with improvements to the Interstate 10/Loop 202 interchange in the East Valley. Work includes the extension of the existing Loop 202 HOV lanes and widening the shoulders from Pecos Road near 48th Street to the I-10/Loop 202 interchange. This initial phase of work will be completed prior to the construction of the mainline freeway, which is scheduled to begin in early 2017.

For those unable to attend, the presentations will be posted online following the first meeting. The public can provide feedback through Oct. 20:

- Online: SouthMountainFreeway.com
- Email: SouthMountainFreewayInfo@c202p.com
- Phone: 1.855.SMF.L202 (1.855.763.5202), or para Español, 623.239.4558
- Mail: ADOT Communications, 1655 W. Jackson St., MD 126F, Phoenix, AZ 85007

The latest project information is available via the project website at SouthMountainFreeway.com, email and text updates (click "Subscribe for Updates" on the project website) and from the project hotline numbers (1.855.763.5202, or para Español, 623.239.4558).
