Loop 101 Closures and Restrictions

Motorists driving on Loop 101 (Pima Freeway) will find a quicker drive late this fall with the opening of HOV lanes to absorb carpool, bus and motorcycle traffic between Loop 202 (Red Mountain Freeway) and Via de Ventura in Scottsdale. In addition, the now under way HOV lane project to the south on Price Freeway, this is scheduled to be completed fall 2009.

To complete these HOV projects, Arizona Department of Transportation (ADOT) has scheduled traffic restrictions this weekend so work crews can pave new HOV lanes and intalls some temporary concrete barriers.

Restrictions include:

Nov. 7 to Nov. 10, 2008

1 **Pima Freeway**
Northbound left lane closed to stripe the HOV lane lines
10 p.m. Fri., Nov. 7 to 5 a.m. Mon., Nov. 10

2 **Price Freeway**
Southbound Full Closure to Install Temporary Concrete Barriers and Shift Traffic Lanes
11 p.m. Fri., Nov. 7 to 5 a.m. Mon., Nov. 10

Detour: Exit Southern Road, Continue south on Price Frontage Road to Warner Ave. on-Ramp. Drivers are encouraged to plan alternate routes to avoid using Loop 101 during the restrictions this weekend.

Project Summary

As part of the Regional Transportation Plan (RTP), the ADOT will add one new HOV lane in each direction on Loop 101 from Loop 202 (Santan Freeway) to State Route 51 (Piestewa Freeway). The restrictions described are part of this larger effort to ease freeway congestion in the East Valley.

New HOV lanes can be used by vehicles with two or more occupants, qualified hybrid vehicles, and motorcycles during peak travel times, between 6 and 9 a.m. and 3 and 7 p.m. Monday through Friday. HOV lanes are open to all vehicles at other times. New lanes will also accommodate expanded express bus service for the East Valley.

Project Schedule

ADOT is working to finish these projects as quickly as possible with minimal disruptions to traffic.

ON THE MOVE
PARTNERS IN PROGRESS

Our Valley Freeway System is part of the 2004 voter-approved Regional Transportation Plan. We are working hard with our transit partners to implement the voters' vision and are committed to quality, safety, open communication with our neighbors, and minimal inconvenience to the traveling public.
