

Interstate 8 between milepost 71 and 82 pavement preservation

PROJECT FACT SHEET

PROJECT OVERVIEW

The Arizona Department of Transportation and the Federal Highway Administration (FHWA) are repairing the pavement on Interstate 8 between milepost 71 and 82, near Aztec or approximately 35 miles west of Gila Bend. The work consists of removing the existing pavement surface and replacing it with new asphalt concrete.

PROJECT ELEMENTS

- Replacing the guardrail and guardrail end terminals
- Replacing the barbed wire fence and cable barrier
- Constructing bridge barrier transitions
- Installing pipe liners
- Replacing pavement marking and other miscellaneous work

PROJECT SCHEDULE

The project is scheduled to begin summer 2023 with completion anticipated in spring 2024. Schedules are subject to change because of weather and other unforeseen situations.

WHAT TO EXPECT

Work is scheduled to occur from 6 a.m. to 6 p.m. on weekdays and some night work will take place. Full ramp closures will also be required and traffic will detour to the nearest exit.

ADOT will provide advance notice of restrictions and closures to email subscribers and on the project traffic alert web page.
