Left Turn

To Turn Left
use left lane

U Turns

For U-Turn
use left lane

YIELD:

The "GOLDEN RULE" of Modern Roundabouts

All motorists entering a roundabout must yield.

When you enter the roundabout you yield to circulating traffic

- A good way to remember this rule is "Wait for the Break."
- The right-of-way is observed at the yield sign. You need to slow down or stop to yield to any traffic approaching you from the left.
- Emergency vehicles always have the right-of-way. If an emergency vehicle enters the roundabout, pull over immediately to the right, exiting the roundabout if possible.
- Pedestrians have the right-of-way when entering a crosswalk.
- When you encounter large trucks, give them plenty of space.
- Remember, all turns are right turns.
