DATE: December 01, 2020

SUBJECT: DEALER LICENSING ELECTRONIC APPLICATION PROCESS

In our continuing effort to streamline the dealer licensing application process, dealer licensing has transitioned to an entirely electronic format. This update affects the following:

- Dealer Application
- Fingerprints
- Plate Order
- Record Amendment
- Franchise Letter

To submit any of the aforementioned applications, please go to <http://www.azdot.gov/dealerlicensing>. Once on the landing page, navigate to the Application process tab. There you will find user guides on accessing our new DEAL Community via AZMVD Now.

If you have any questions, please contact the Dealer Licensing unit at mvdlu@azdot.gov

Thank you for your cooperation.
