**District Orgs:**

Please use this list of meeting and conference planners to directly coordinate your meeting facility and caterer for Partnering Workshops.

Each has their price per hour listed and you will cut a PO to this planner for their service, the facility and the caterer.

The Partnering Office will continue to coordinate the APFN facilitator for your workshop. You may use an APFN facilitator for a minimal and moderate degree of complexity projects.

As always, the costs will be split 50/50 by the Org and the construction company.

Please report any challenges to the Partnering Outreach Office by email to [jcarlson2@azdot.gov](mailto:jcarlson2@azdot.gov) or [mfink@azdot.gov](mailto:mfink@azdot.gov)

The contract information can be located on the ADOA Procure AZ website under Communication Equipment and Services:
