

Loop 303 – US 60 to Happy Valley Parkway Scoping Meeting

Welcome!

.....

Please sign in.

Goals for today's Scoping Meeting:

- Provide an overview of the study
 - Background
 - Description and area
 - Purpose and need
 - Engineering elements
 - Environmental elements
 - Process/schedule
- Solicit input to assist in the identification of issues and concerns to be addressed during the study
- Use a **WHITE** question card to submit a question during the Q&A following the presentation.
- Use a **BLUE** comment form to submit a comment and return to a staff member.

Thank you for participating.
