

CONSTRUCTION OPEN HOUSE

LOOP 303 INTERSECTION IMPROVEMENTS AT BELL, CACTUS AND WADDELL ROADS

Thursday, April 30

6-8 p.m., presentation at 6:30 p.m.

Parkview Elementary School, Cafeteria
16066 N. Parkview Place, Surprise

The Arizona Department of Transportation will host a public open house April 30 to share plans for upcoming intersection improvements at Loop 303 and Bell, Cactus and Waddell roads.

A brief presentation providing an overview of the projects will begin at 6:30 p.m. Topics will include:

- Safety and operational improvements
- Footprints for long-term development
- Anticipated construction schedule and impacts

Maps and displays of the improvements will be available for viewing during the open house. Representatives from the ADOT design team and the construction contractor will be available to answer questions.

Construction of the Loop 303 intersection improvements is scheduled to begin in late spring, beginning with the Bell Road intersection. Interim improvements will be constructed to improve traffic flow and safety and minimize the impacts of future Loop 303 construction when it is expanded to a six-lane freeway.

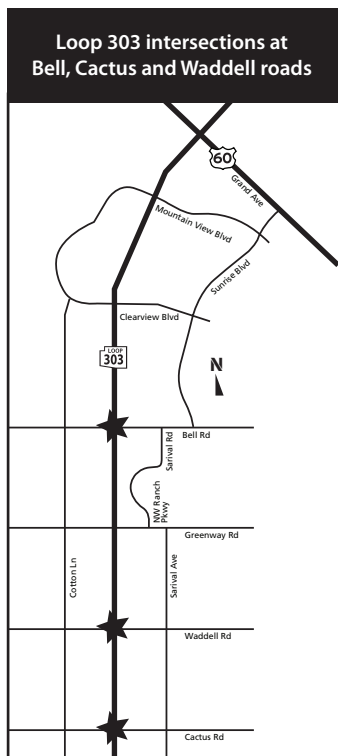

Americans With Disabilities Act (ADA): Persons may request special accommodations, such as a sign language interpreter, by contacting Sue Lewin at 480-890-0012 or projectupdate@lewin-associates.com. Requests should be made as early as possible to allow time to arrange the accommodation. This notice is available in alternative formats by contacting Sue Lewin at the contact information referenced above. Si usted necesita la ayuda de un traductor o interprete en español para la reunión, por favor comuníquese al 480-890-3647.

Sign Up for E-Notification:

Help ADOT save money and reduce paper use by signing up to receive electronic notification of Loop 303 project updates and traffic restrictions via our e-mail list at www.ValleyFreeways.com.
