RE: FY 2009-2012 STIP, Amendment Number 13

Dear Mr. Hollis:

As the Governor's designee, I approve the action taken by the Southeastern Arizona Governments Organization (SEAGO) Executive Board on February 20, 2009, to amend their FY 2009-2013 Transportation Improvement Program (TIP). I cordially request Amendment Number 13 to the FY 2009-2012 State Transportation Improvement Program (STIP) to include TIP amendment #2 (see attached).

This amendment is in accordance with 23 CFR 450 and was developed based on a continuing, cooperative, and comprehensive transportation planning process in accordance with 23 USC 134 and section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program, by this amendment, are either exempt or are regarded as minor project revisions that do not require conformity determination [40 CFR §93.126]. The funding for the projects in this amendment will not adversely impact the STIP Financial Plan.

Your prompt approval of this request will be greatly appreciated.

Sincerely,

John S. Halikowski

Dear Charlene:

Re: 2009 SEAGO TIP Amendment #2

Enclosed is a copy of the 2009-2013 SouthEastern Arizona Governments Organization Transportation Improvement Program (TIP), amendment #2. This 2009 TIP #2 was approved by the SEAGO Executive Board at an executive meeting held February 20, 2009.

The TIP includes the place switching between Bisbee's Arizona Street project, and Sierra Vista's Charleston Road project, and the five Enhancement projects awarded in 2008. It also includes the ranked Economic Recovery projects in year 2009, and also includes the additional Economic Recovery projects submitted to ADOT and SEAGO, as place holders on the SEAGO TIP in the year 2014.

The SEAGO TAC met on February 18, and the Executive Board met on February 20, and approved the second TIP Amendment.

The meeting dates and times where the TIP was discussed are included below for your information. The SEAGO TIP is a standing agenda item for all SEAGO TAC, Administrative Council, and Executive Board meetings. I have listed the Executive Board meetings and TAC meeting for 2009.
