Approval of Amendment No. 15

Mr. John S. Halikowski, Director  
Arizona Department of Transportation, (100A)  
Phoenix, Arizona 85007

Dear Mr. Halikowski:

We have reviewed your March 11, 2009 request to amend the FY 2009-2012 Statewide Transportation Improvement Program (STIP) to include the enclosed table of nine projects (seven utilizing IM or STP Federal funds and two State funded) on Interstate or State Highways.

We accept this Amendment in accordance with 23 CFR 450 and find that this STIP amendment was developed based on a continuing, cooperative and comprehensive transportation planning process in accordance with the 23 USC 134 and Section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program by this amendment are either exempt or are regarded as minor project revisions that do not require conformity determinations [40 CFR §93.126].

This letter constitutes approval and inclusion of Amendment 15 into the Arizona FY 2009-2012 Statewide Transportation Improvement Program (STIP). Our approval is based upon the Arizona Department of Transportation's assurance that the funding for the project in this amendment will not adversely impact the STIP Financial Plan.

Sincerely yours,

RE: FY 2009-2012 STIP, Amendment #15

Dear Mr. Hollis:

As the Governor's designee, I cordially request Amendment Number 15 of the FY 2009-2012 State Transportation Improvement Program (STIP) to include the attached list of projects.

This amendment is in accordance with 23 CFR 450 and was developed based on a continuing, cooperative, and comprehensive transportation planning process in accordance with 23 USC 134 and section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program by this amendment are exempt from the requirements that a conformity determination be performed. The funding for these projects is already within the approved STIP Financial Plan and therefore does not adversely impact the STIP Financial Plan.

Your prompt approval of this request will be greatly appreciated.

Sincerely,
