RE: FY 2009-2012 STIP, Amendment Number 31

Dear Mr. Rodgers:

As the Governor's designee, I approve the action taken by the Flagstaff Metropolitan Planning Organization (FMPO) Executive Board on May 19, 2009, to amend the FMPO FY 2009-2013 Transportation Improvement Program (TIP). I cordially request Amendment Number 31 to the FY 2009-2012 State Transportation Improvement Program (STIP). This amendment is for Transit related projects only (see attached).

This amendment is in accordance with 23 CFR 450 and was developed based on a continuing, cooperative, and comprehensive transportation planning process in accordance with 23 USC 134 and section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program, by this amendment, are either exempt or are regarded as minor project revisions that do not require conformity determination [40 CFR §93.126]. The funding for the projects in this amendment will not adversely impact the STIP Financial Plan.

Your prompt approval of this request will be greatly appreciated.

Sincerely,

John S. Halikowski

RE: FMPO FY 2009-2013 Transportation Improvement Program Amendments

Dear Director Halikowski,

Attached please find a list of amendments to the current FMPO TIP related to the American Recovery and Reinvestment Act as approved by the FMPO Executive Board on May 19, 2009.

The amendment is for transit related projects only and is required to address additional ARRA funds redistributed by the Governor's office and to accurately reflect the priorities of our region and transit provider, NAIPTA. It also places projects funded with money authorized or applied for but not yet appropriated into year 2013, the illustrative year for the FY 2009-2013 TIP. This latter change is done at the direction of FTA.

Please don't hesitate to have your staff contact me to address questions and concerns.

Sincerely,

David Wessel, FMPO Manager

Cc Scott Overton, FMPO Chair
Jeff Meilbeck, NAIPTA General Manager
