Arizona FY 2009-2012

State Transportation Improvement Program (STIP)

Amendments No. 36

Mr. John S. Halikowski, Director  
Arizona Department of Transportation (100A)  
Phoenix, Arizona 85007

Dear Mr. Halikowski:

We have reviewed your June 30, 2009 request to amend the FY 2009-2012 Statewide Transportation Improvement Program (STIP) to include the Transportation projects listed within the enclosed table. These changes to the Yuma Metropolitan Planning Organization (YMPO) TIP were approved by the YMPO Executive Board on June 25, 2009.

We accept this Amendment in accordance with 23 CFR 450 and find that this STIP amendment was developed based on a continuing, cooperative and comprehensive transportation planning process in accordance with the 23 USC 134 and Section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program by this amendment are either exempt or are regarded as minor project revisions that do not require conformity determinations [40 CFR §93.126].

This letter constitutes approval, and inclusion of Amendment 36 into the Arizona FY 2009-2012 Statewide Transportation Improvement Program (STIP). Our approval is based upon the Arizona Department of Transportation's assurance that the funding for the project in this amendment will not adversely impact the STIP Financial Plan.

Sincerely yours,

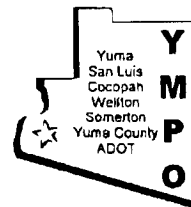

Jermaine R. Hannon  
Transportation Coordinator

RE: TIP revisions for STIP

Dear Bret:

Enclosed is a revision to Table 10 of the YMPO FY2007-2011 TIP. The YMPO Executive Board at their June 25, 2009 meeting approved this revision.

Please see that the STIP is amended because this was requested by ADOT so ARRA enhancement grant agreements could proceed.

Sincerely,

A handwritten signature in black ink, which appears to read "Linda J. McFarland". The signature is written in a cursive style and is positioned above the printed name and title.
