RE: FY 2009-2012 STIP, Amendment Number 38

Dear Mr. Rogers:

As the Governor's designee, I approve the action taken by the Southeastern Arizona Governments Organization (SEAGO) Executive Board on May 30, 2009, to amend their FY 2009-2013 Transportation Improvement Program (TIP). I cordially request Amendment Number 38 to the FY 2009-2012 State Transportation Improvement Program (STIP) to include TIP amendment #3 (see attached).

This amendment is in accordance with 23 CFR 450 and was developed based on a continuing, cooperative, and comprehensive transportation planning process in accordance with 23 USC 134 and section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program, by this amendment, are either exempt or are regarded as minor project revisions that do not require conformity determination [40 CFR §93.126]. The funding for the projects in this amendment will not adversely impact the STIP Financial Plan.

Your prompt approval of this request will be greatly appreciated.

Sincerely,

John S. Halikowski
