OPTIONAL QUESTIONS:

How many years of Partnering experience do you have? 10 years. This includes not only facilitating workshops and issue resolutions sessions on projects, but also between agencies and divisions. Also acting as a core member of the AZ Transportation Partnering Excellence Award – special assignment includes training judges and facilitating the judge's consensus meetings. Special insight has been gained through reviewing what the 'best' Partnerships do with experts from AGC, ADOT and ACEC.

What is your educational background? MBA – ASU's Executive Program, BA – WMU in Communications. PMI certified Project Manager, ISO-trained Quality Auditor
