2. The City will:

a. Designate the State as authorized agent for the City, if such project is approved by the FHWA and project funds are available.

b. Be responsible for the cost of installation and any overage of costs exceeding the maximum HSIP funds available for the Project. Agree that the cost of the analysis and work covered by this Agreement is to be borne by FHWA and the City, each in the proportion prescribed and determined by FHWA.

c. Coordinate with the State during the procurement process of the Project.

d. Certify that all necessary rights-of-way have been or will be acquired prior to installation of equipment and also certify that all obstructions or unauthorized encroachments of whatever nature, either above or below the surface of the Project area, shall be removed from the proposed right-of-way, or will be removed prior to the start of construction. Coordinate with the appropriate State's Right-of-Way personnel during any applicable right-of-way process performed by the City.
