INTERSTATE 10 WIDENING:

EARLEY ROAD TO JUNCTION INTERSTATE 8

PROJECT OVERVIEW

The Arizona Department of Transportation is designing roadway improvements for Interstate 10, from Earley Road to Junction I-8 located just south of Casa Grande.

The proposed improvements include:

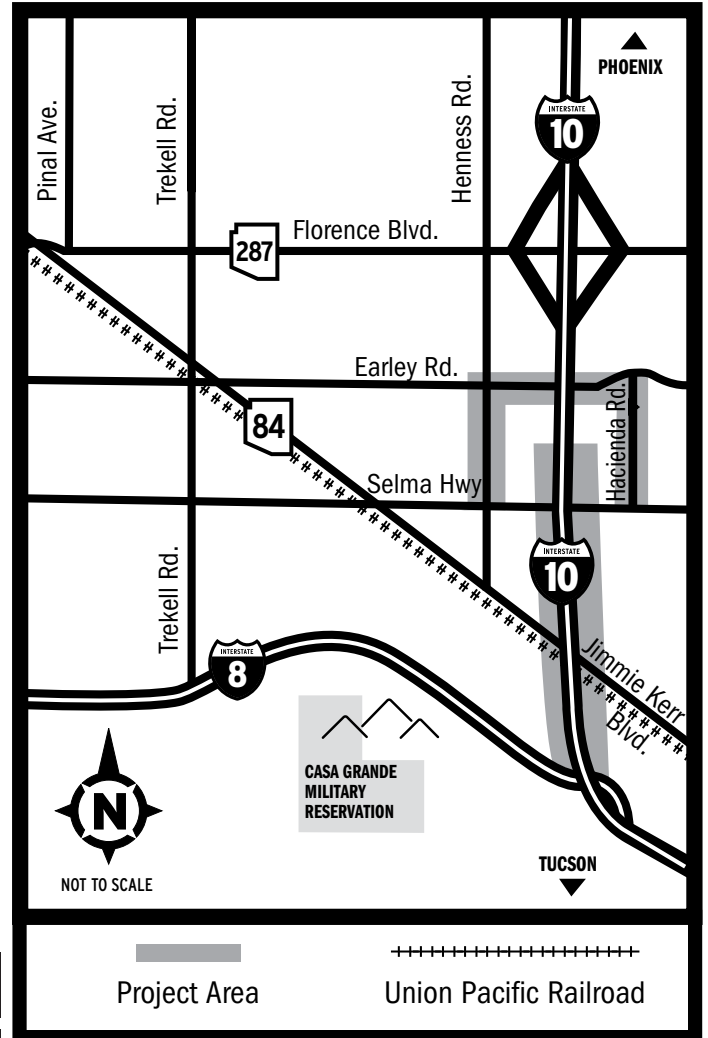

- Widening I-10 from two to three lanes in each direction
- Upgrades to the Florence Boulevard on- and off-ramps
- Removal of the existing traffic interchange at Jimmie Kerr Boulevard
- Installation of a new traffic interchange at Selma Highway
- Selma Highway increased from one to two lanes in each direction at its intersection with I-10
- New one-way frontage roads from Selma Highway to Jimmie Kerr Boulevard
- Two new I-10 bridges over Jimmie Kerr Boulevard and the Union Pacific Railroad
- Rubberized asphalt paving
- Chip sealing portions of Hacienda Road, Earley Road and Henness Road
- New U-turn at Jimmie Kerr Boulevard
- New right-turn lane from eastbound Florence Boulevard to eastbound I-10

The goal of the project is to increase capacity and improve traffic operations and safety.
