

# PUBLIC INFORMATION MEETING

## I-17, SR 179 to I-40

Federal Highway  
Administration

**A public information meeting will be held on  
Wednesday, April 22, 2009**

**High Country Conference Center  
At Northern Arizona University  
Agassiz Room**

201 West Butler Avenue  
Flagstaff, AZ

5:30 to 7:30 p.m.

Brief presentation at 6:15 p.m.

Arizona Department of Transportation (ADOT) is seeking public comments about future improvements to Interstate Highway 17 (I-17) between the State Route (SR) 179 interchange near Sedona north to the junction with Interstate 40 (I-40) at Flagstaff, Arizona.

ADOT and the Federal Highway Administration, as lead federal agency, are conducting an engineering and environmental study to develop a long range plan for this segment of the I-17 corridor. Technical studies have been performed to develop alternatives for a series of improvements to provide for greater capacity and to ensure smooth operations for the traffic volumes that are projected to occur over the next 20 to 30 years. Environmental studies are also underway in support of this effort. ADOT is seeking public input on the alternatives under consideration in anticipation of selecting a preferred alternative.

For additional information regarding the project or to submit comments, please contact Mary Schnack by e-mail at [mary.schnack@gmail.com](mailto:mary.schnack@gmail.com); toll-free at 1-866-739-7371; or by mail at 270 Last Wagon Dr., Sedona, AZ 86336. All comments should be received by May 13, 2009.

**American with Disabilities Act (ADA):** This notice may be available in an alternative format and persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting Mary Schnack at the number or email listed above. Requests should be made as early as possible to allow time to arrange the accommodation. This newspaper notice is available at [www.adotenvironmental.com](http://www.adotenvironmental.com).
