## **340 MOTORIST SERVICE SIGNS**

---

Motorist service signs, both general and specific, may be installed on freeways and conventional highways when the service is located in the general vicinity of the interchange or intersecting highway.

Section 341 discusses specific service signs for rural freeways.

Section 342 discusses specific service signs for conventional rural highways.

Section 343 discusses general motorist service signing.

Section 344 discusses the Adopt-A-Highway Volunteer Program for litter collection.

Section 345 discusses the Adopt-A-Highway Program for Maintenance Providers for litter collection.
