

ARIZONA STATE HIGHWAY BRIDGE WEIGHT RESTRICTIONS

Purpose

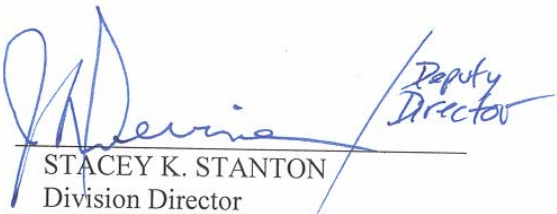

To provide special issuance guidelines for overdimensional permits affected by State highway bridge restrictions as determined by the State Bridge Engineer.

Policy

Effective immediately, in addition to the current permit issuance guidelines, Arizona Central Commercial Permits, Ports of Entry, and Authorized Third Party Providers shall utilize the attached [weight restriction table](#) for determining whether any special weight restrictions are required to be placed on an Overdimensional Permit issued pursuant to A.R.S. Title 28, Chapter 3, Article 18.

This policy shall remain in effect until final adoption of the revised overdimensional permit rules, containing the State highway bridge restrictions, are complete.
