

I-17 Munds Park Traffic Interchange

Project Overview

The Arizona Department of Transportation will begin reconstructing the bridges and ramps on I-17 at Munds Park in spring 2011. The project is scheduled for completion in summer 2012.

Project Enhancements

- ▶ Bridge reconstruction
- ▶ Ramp reconstruction
- ▶ New pavement
- ▶ Enhanced pedestrian access

Motorists will have to cross over to the opposite side of the highway throughout the project, with a single lane in each direction through the work zone. There is a possibility that unscheduled closures or restrictions may occur due to weather and other unforeseen circumstances.
