(1) Arizona law transfers 1.6% of gas tax revenues to the State Lake Improvement Fund and 0.55% of gas tax revenues to the Off-highway Vehicle Recreation Fund. Motor vehicle fuel tax revenues reported FY 2017 and prior were net of these transfers. Motor vehicle fuel tax revenues beginning FY 2018 include total revenues before the transfer.

(2) Net of third party retainage, DPS Parity Compensation Fund transfers and State General Fund transfers.

Note: Totals may not add due to rounding.
