RE: Restriction on Highway Usage and Truck Route Appeal Process

---

This memorandum serves as a notice to all Local Public Agencies to notify you of the Traffic Guidelines and Process (TGP) 1080. TGP 1080 has been issued as a result of updating Arizona Revised Statutes (ARS) 28-1106 to incorporate Senate Bill 1097. You may access TGP 1080 at the following Link:  
<https://azdot.gov/business/engineering-and-construction/traffic/guidelines-and-processes>

The purpose of this Guideline is to provide clear understanding about restriction on highways and major arterial streets usage and the appeal process per Arizona Revised Statutes (ARS) 28-1106. The changes made to ARS 28-1106 will affect both State and Local Public Agencies.

Attached please find a copy of TGP 1080 and S.B 1097.

Thank you.
